**EAST MIDDLESEX INDUSTRIES**

**An Opportunity to  
Make a Difference**

*Ash Connelly serves a customer  
at the Burbank YMCA Coffee Bar*

Working with  
**East Middlesex Industries**  
(EMI) gives you an  
opportunity to provide  
employment for people with  
disabilities  
and gives us the chance  
to meet your  
business needs!

## About EMI

East Middlesex Industries (EMI) is the vocational arm of The Arc of East Middlesex (formerly known as EMARC), a not-for-profit 501c3 organization founded in 1954 to support people with developmental disabilities and their families.

EMI assists adults with disabilities by providing them with opportunities for paid work in three different types of settings:

- In EMI's sheltered workshop
- In small teams at local businesses and organizations with an EMI supervisor on site
- In competitive employment placements at businesses and organizations with support from EMI job coaches as needed

### SERVICES FOR BUSINESSES

EMI has helped businesses solve their mailing, production and staffing problems since 1960.

#### Permanent Staffing

- Assessment & Screening
- No cost Job Coaching
- Follow-up assistance

"Ash is a valued member of the team. He adds a lot of warmth to the YMCA because he greets people by name. His ability to interact with families is incredible,"  
*Pete Smargon,*  
*Retired Executive Director, Burbank YMCA*

Placements we have facilitated include *childcare, food service, janitorial, merchandise tagging and bagging, pet care, production, shredding, stockroom and more.*

#### Temporary Work Crews

- Low-cost individual or group labor
- Professional Supervision

#### Assembly & Production at our facility or yours.

- Hand packaging  
weight or piece count
- Heat sealing
- Laminating
- Light assembly  
parts, kits, boxes
- Merchandise tagging  
and finishing work
- Shredding
- Shrink wrapping

#### Mailing & Packaging

- Bulk rate postal permit usage
- Folding
- Inserting and collating
- Metering and Sealing
- Low cost shipping and delivery
- Wafer Sealing
- Zip Sorting
